Approval of Planning Brief

The Board is pleased to announce that, following detailed consultation with English Heritage, Leeds City Council's planning officers have approved a detailed planning brief, for the commercial and residential development of the Company's premises and land on Hunslet Road in Leeds and this brief will form a guide to prospective developers.

The Board is currently in the process of identifying new premises in the local area in order to relocate the business into a more modern, cost effective facility. This outcome is subject to the successful marketing of the site and ultimately on final planning consent being granted by Leeds City Council.

It is intended that the completion of the sale of the Hunslet Road site and the relocation to new premises will be structured so that disruption to the business will be kept to an absolute minimum.
